

**TENOGLIA & SALISBURY LAW GROUP, LLC**

**WE ARE READY TO HELP WITH YOUR  
ASBESTOS RELATED LUNG CANCER AND  
MESOTHELIOMA CLAIMS**

Our mission: We help cancer survivors all over the Ohio River Valley, recovering millions of dollars in settlements for mesothelioma and asbestos related lung cancer.

We help cancer survivors take on the big companies, including chemical, power, and manufacturing plants, railroads, mines, the military, and more.

If you have been diagnosed with lung cancer, we will review your case for free, even if you are a smoker, and even if you aren't sure how or when you became exposed to asbestos.

**You may have a claim if your family member was exposed to asbestos at work and you developed an asbestos related disease.**
